

Families in Recovery Event Sponsor Form

As a sponsor, we will display your organization's information in all our promotional materials to communicate community support for families that are striving to overcome addiction and rebuild their lives. Your generous donation enables programs like Families in Recovery to provide the essential resources and support that foster long-term recovery and help restore families affected by addiction.

GOLD Level Sponsor: \$500 provides the rental fee for the location of the event as well as food and supplies

SILVER Level Sponsor: \$250 provides the rental fee for the location of the event

BRONZE Level Sponsor: \$100 goes towards food and supplies

COPPER Level Sponsor: You determine the amount you would like to donate. All donations go directly to the monthly events

Every month, FIR hosts events and activities for people in recovery from addiction and their families. Our goal is to provide a safe, healthy, and enjoyable environment where families can heal together from the devastating effects of addiction.

To keep these events completely free for participants, we rely on generous support of agencies, businesses, and community members like you. Your contribution will help us continue providing these crucial resources for families in our community.
